Johnny and Jimmy Jack always put up a good fight, but this time, Jimmy Jack is the one who's dropping the bomb. Jimmy Jack is a very powerful man, but he's also a very smart man. He's a man who's always been there for his friends, and he's always been there for his family. He's a man who's always been there for his community, and he's always been there for his country. He's a man who's always been there for his people, and he's always been there for his people's people.
